

Habitat for Humanity's unique home ownership program is based on our core policies.

Habitat is a Partnership, not a Charity.

Habitat provides a "hand up, not a handout," which promotes an atmosphere of partnership with Habitat partner families, volunteers, and homeowners.

No Profit - Low to Zero Interest

Habitat homes are not sold for profit. Each family's low to zero interest mortgage payment goes into our revolving fund to help future families.

Homeowner Selection

We do not discriminate on the basis of religion, race, or ethnic background. All applicable federal and state laws regarding mortgage lending are followed. Our selection criteria are:

- *Family income is 30%-60% of the median income for Clark County with adjustments for family size.*
- *Ability to repay with verifiable income. Debt-to-income ratio cannot exceed 43%.*
- *Employment with at least 6 months on the job.*
- *Currently living in substandard housing.*
- *Willingness to partner through sweat equity.*

Sweat Equity

We believe in the principle of families helping to build their home and the homes of others.

Our Mission:

Seeking to put God's love into action, Habitat for Humanity of Greater Dayton brings people together to build homes, communities and hope.
