

Habitat in Nashville Partnership Opportunities

Help us raise the roof, y'all!

What

Habitat for Humanity of Greater Dayton will host its 8th annual signature fundraising event, Habitat in Nashville, August 13, 2022 at the Schuster Center in downtown Dayton. As always, the evening will feature a wonderful dinner, dancing, silent auction, unique entertainment, inspiring mission moments, and more – all to benefit local Habitat families.

Who

More than 300 of our top supporters from Clark, Greene, and Montgomery Counties, sponsors and their friends will be enjoying a fun, casual Nashville country-themed event while supporting our mission.

Why

For over 35 years Habitat for Humanity has helped to create permanent changes in the lives of over 300 local families by providing the opportunity of affordable mortgages. Our Habitat families are our partners in the homeownership process, working alongside a dedicated group of staff members, volunteers, and community members to build their home and the homes of other families.

Habitat provides classes in the areas of money skills, home maintenance, community resources, consumer credit counseling, legal issues, community involvement, nutrition, and insurance. These classes provide the knowledge and skills necessary for each family to become self-sufficient, active participants in their community. Your gift, no matter the size, helps us provide a hand-up, not a hand-out, to hardworking local families.
